**FILED**  
UNITED STATES DISTRICT COURT  
ALBUQUERQUE, NEW MEXICO

ALFRED VALENTINO GARCIA,

Plaintiff

MATTHEW J. DYKMAN  
CLERK

v.

Case No. 6:09-CV-01103 LH/LFG

STATE OF NEW MEXICO, GOVERNOR BILL  
RICHARDSON, NEW MEXICO CORRECTIONS  
DEPARTMENT, JOE WILLIAMS, unidentified  
Corrections Department personnel, contractors  
and et al,

Defendants.

PLAINTIFF'S RESPONSE TO DEFENDANT'S STATE OF  
NEW MEXICO AND GOVERNOR BILL RICHARDSON'S  
MOTION TO DISMISS FOR FAILURE TO STATE A  
CLAIM

---

Alfred Valentino Garcia, pro se, (the Plaintiff), move  
the Court for an order not to dismiss the complaint against  
the State of New Mexico and Bill Richardson (the defendants),  
insofar as Plaintiff has amended his complaint to clearly  
show fault, state remedies were exhausted and he can  
prove without a doubt with certainty that his property was  
lost or destroyed.

GENERAL ALLEGATIONS

1. On or about 10-2-07 an internal grievance  
was filed about the loss or destruction of Plaintiff's

property. There was no response on the informal. On or around 10-2-07 a request was sent to the property officer Eric Rosas about the loss or destruction of Plaintiff's property. An unidentified Captain responded by bringing Plaintiff's radio which was lost or destroyed but not the rest of the items. On or about 10-16-07 a formal grievance was filed on the loss or destruction of Plaintiff's property. Grievance Officer acknowledged that some of Plaintiff's property did not make it in his property so he was awarded \$50 dollars. On or about 12-16-07 the appeal was filed because \$50 dollars was not sufficient enough to have reacquire all the items lost or destroyed. The appeal was denied by Erma Sedillo. On or about 11-29-07 the Notice of Claim was sent to New Mexico's Risk Management. There was no response.

3. On or about 9-24-09 Plaintiff was put into segregation. The unidentified officer/s collecting Plaintiff's property and the unidentified officer/s in the housing unit control room lost, destroyed and/or did not keep his property safe. On or about 9-26-09 Plaintiff's property was brought by property officer Eric Rosas. Property items were missing. After request Plaintiff's radio was found but many of other items were not turned up. Plaintiff was informed that officers do not care about inmates or inmates property because they can get away with anything and are protected by Governor, Joe Williams and/or other cabinet heads.

Plaintiff has exhausted his state remedies as shown in Exhibit A. Plaintiff can show in Exhibit A that omittance to these allegations are **TRUE**, his property was lost or destroyed. Plaintiff can prove in **GOOD** Faith that he attempted to resolve this matter at its lowest degree in the state remedies but defendants did not want to resolve.

Therefore it has gone to the Courts, Plaintiff has suffered more and she has had to rebuy all the items lost or destroyed. That is why Plaintiff is seeking \$303,750.00 dollars for alleged loss or destroyed of \$250.00 worth of property.

Claims against the State of New Mexico and Governor Richardson is proper here because: (1) Plaintiff has included, ~~GOOD~~ Faith Factual allegations that will be sufficient to state a Constitutional claim against the State generally and the Governor as amended; (2) Governor is not entitled to qualified immunity; (3) Plaintiff's amended State Tort Claim is supported with sufficient allegations to pull those claims outside the immunity provided by the New Mexico Tort Claim Act and states a claim upon which Relief can be granted.

## I. ARGUMENT

Through *Madison v. Scott*, 1999, 128 N.M. 255, 992 P.2d 268 states that an Employer is liable for the conduct of an employee because the employee was acting within the scope of employment. The unidentified officer(s) that collected Plaintiff's property and officer(s) in the unit control is employed by the State of New Mexico and therefore Governor Richardson.

A. The Amended complaint does approach a specificity necessary to state a Constitutional claim against the State of New Mexico and Governor Richardson under *Scott*.

The allegations brought up states the State of New Mexico and Governor Richardson is the Employer of the defendant's. As well the State of New Mexico and Governor Richardson's employee's feel they are protected, can do whatever and can

get away with whatever they do. Employees of the State of New Mexico and Governor Richardson feel they have the Freedom to do as they will and not have to pay for their consequences.

Therefore the State of New Mexico and Governor Richardson by not correcting the wrongs of their employees make them just as liable as the employees. If the employee knew he would be corrected he would not be looting or destroying Plaintiff's property. If the employee would be corrected he would have more respect for the Plaintiff and his possessions instead of being protected by the State of New Mexico and Governor Richardson. By the State of New Mexico and Governor Richardson protecting they are liable.

B. The State of New Mexico and Governor Richardson has been notified of the wrongs done by their employees to the Plaintiff and should not be entitled qualified immunity.

Whether Plaintiff's claim was unclear and now should be clear in the Amended State Tort Claim, The State of New Mexico and Governor Richardson has ignored the allegations done by their employees. As soon as the State of New Mexico and Governor Richardson became aware of the allegations they should have investigated before reacting and protecting. Instead the State of New Mexico and Governor Richardson protected their employees and sets by getting the claim moved to the Federal Court, wasting the States money, causing more grief for the Plaintiff and wasting the Courts valuable time.

Therefore by the State of New Mexico and Governor Richardson ignored Plaintiff's claim making them liable just as their employees who committed

the unjust act.

C. The amended State Tort Claim against the State of New Mexico and Governor Richardson should not be dismissed because by denying the allegations done by their employee(s) to the Plaintiff they are protecting them and become liable themselves.

By not acknowledging the Plaintiff's State Tort Claim and not investigating if the State of New Mexico and Governor Richardson is liable for the allegations made. By moving the State Tort Claim from the State Courts to Federal Courts without investigating Plaintiff's claim and wasting the states money they are liable. Specially when the Plaintiff would have settled for less then this Courts fees which the State of New Mexico and Governor Richardson paid for without investigating the allegations. By the State of New Mexico and Governor Richardson refusing to settle out of Court wanting more of the States money and the Courts valuable time they are liable. For the State of New Mexico and Governor Richardson refusing to resolve this simple case by protecting their employee(s) they are liable.

D. Plaintiff does not have access to any case law without having to order case law by mail from the Supreme Court Library. Also Plaintiff is only allowed to order 2 cases per month only.

Without allowable time to order and receive case law mentioned Plaintiff can not adequately answer and is hard to understand what the State of New Mexico and Governor Richardson is saying. Plaintiff Needs at least a month for every 2 cases mentioned to be able to answer. Otherwise Plaintiff will answer to the best of His Knowledge!

## II. CONCLUSION

WHEREFORE, the Plaintiff Alfred Valentino Garcia Respectfully moves the Court not to dismiss his claim against the State of New Mexico and Governor Bill Richardson.

Respectfully Submitted

with the rest of the property I did get by the officer that did go to the cell to collect the property. The property officer inventoried the property and brought me the property I could have. The inventory sheet did not have these items on it or these items did not show up in the property that was allowed to me in segregation.

These items came up missing some where and some how by who knows from the day I got locked up in segregation to the time the property was brought to me in segregation.

These items were lost by the officer(s) that collected the property or by the property officer.

I do not feel or know what happened but these items are missing!

The radio was missing too but the captain later brought it to me. What happened to the rest of the property that was missing?

Thank you very much! I greatly appreciate it! May  
God Bless you.

**STEP 3** – Upon completion of investigation the following was discovered. Prior to being placed into segregation inmate had a pair of tennis shoes, a sweat top, and bottom, nine tapes, and a pair of workout shorts that did not make it to property officer. Based on these findings it is recommended that inmate be awarded \$50.00 to cover cost of missing items.

**A. Reason for appeal:** I am appealing this matter for two reasons. One is about the amount awarded. The second is that more items were missing that was not mentioned.

First of all the amount awarded is way too low. According to exhibit A the shoes costed 19.97. According to exhibit B three of the seven tapes costed 29.99. Now the sweat pants, sweat shirt, shorts and the for other tapes costed around 80.00.

The total for the shoes and three tapes aloneInmate's Signature: A. Salento GarciaDate: 12/10/07Date Received By Grievance Officer: 12/17/07Date Sent to Grievance Coordinator: 12/17/07continued on

costed 49.96. That is without included the cost of the sweat pants, sweat shirt, shorts and the other four tapes. Plus the shipping and handling. The cost of the sweat pants, sweat shirt, shorts and the other four tapes added to the shoes and three tapes would be around 129.96. Plus shipping and handling 9.99. That is a total only for those items 139.95. Though that does not include the other items lost. 50.00 is not enough for what was lost.

Now about the second issue of the appeal. There was alot more lost then just those mentioned items. As you can see from the inventory sheets included.

The items not mentioned in the decision but mentioned in the griesance are:

- 1 pair of clear ear buds that came with the radio costed 2.35
- 2 grey Russel No-pocket T-shirts costing 9.70
- 1 Spartan Wave Cap costing 3.15
- 1 Tube Sock All White 6-pack 6.50
- 1 Magnosox Universal Remote Control costing 8.97
- 2 Hanes Crew Neck T-shirts costing 24.40
- 1 handkerchief costing .60
- 1 Advance 6024 LCD Alarm Clock costing 7.35

Appeal Continued page 3 of 3

Hygiene items costing around 20.00

1 Baby Powder

2 Hair Soaps

2 soaps

1 tooth paste

Canteen items costing around 20.00

1 air freshener

1 eraser

1 Prayer oil

1 mayonise

2 candy bars

1 oreo cookie

10 soaps

2 hot sauces

1 onion minced

2 jalapeno beans

1 sausage

1 tea bags

These items were lost too. All these items mentioned should be paid for because of the incompetence of staff and departments.

I am asking for a total around 250.00. That way everything lost can be replaced.

I have the admittance of the incompetence therefore I should be paid in full.

I will be acquiring the rest of the receipts I need just in case I get to pursue this matter.

Thank you very much! I Greatly Appreciate it tons! May **GOD** Bless you!
